38th Newcastle National Exhibition of Photography - 2020

The 38th Newcastle Exhibition of Photography (Newcastle National) was jointly presented by the Newcastle Agricultural, Horticultural and Industrial Association (**The Show**) and the Newcastle Photographic Society.

The 38th running of the Exhibition was judged on 7 December 2019 to avoid any clashes with the Christmas/New Year festive season. The Exhibition of entries will still be held in conjunction with **The Show**, which is over the period 6, 7 and 8 March 2020.

The Exhibition was conducted using the MyPhotoClub online entry process, which again proved very successful, empowering entrants to play a greater role in the entry process as well as streamlining the management of accepting and judging the entries.

We thank all entrants for supporting this Exhibition. We appreciate the time given by the dedicated volunteers (members of local camera clubs) involved in the Exhibition's planning and execution. Without their support, the Newcastle National would not take place.

A very special thanks to our judges for this year:

- Roy Killen – EFIAP, GMPSA, APSEMAFIAP
- Neville Foster – GMAPS, EFIAP/b, PPSA, HonFAPS
- Diane Schofield – Experienced photographer
- Jill Helps – Experienced photographer
- Reta Telford – Experienced photographer

For this Exhibition, we had approximately the same number of entries as we had for the 2019 Exhibition and there was a slight increase in the number of entrants from 2019. Also, extremely pleasing was the overall standard of entries for the 2020 Exhibition. This was reflected in a higher overall score being required this year to achieve an Acceptance across three of the four categories.

Both organisations acknowledge the high standard of entries submitted this year and we look forward to exhibiting the high-quality work at **The Show** in March 2020.

We also look forward to your participation again in the 39th Newcastle National and ask that you encourage your fellow club members, and other photographers in general, to enter next year. This is one of the few “print only” Exhibitions remaining and we need your support to continue the heritage.
