Chairperson's Message

Chairperson's Report

On behalf of the organising committee, thank each one of you for entering our 1st International Exhibition. A competition that we believe will grow from strength to strength in coming years.

We received many images from around the world. All images in each section were beautiful, in their own unique way. Thank you to everyone who entered images and congratulations to those who received awards and acceptances.

To all our entrants, please read the conditions of entry and section definitions carefully before entering your images. Unfortunately, the judges disqualified many images because they did not meet the conditions of entry and/or the section definitions.

Thank you to our wonderful judges, Elizabeth, Pia, David, Francis, Luis and Barbara for the time and care you took judging all the images. Without you we would not have had a competition.

To our software provider, Colin from 'My Photo Club' your competition site has provided a seamless, stressless experience for everyone involved, thank you.

Thank you to our committee for all your help and input. To Chris and Alan for your help with vetting images, to Barry for the wonderful work you have done with this beautiful catalogue and of course David for all the graphics you produced, for lending an ear when I needed to vent and helping to solve any problems we had along the way.

Please take the time to enjoy the beautiful images within this catalogue. I hope they inspire you to continue your photography journey, to use your imagination, look outside the box, step out of your comfort zone and experiment.
