Displeased – By Glenda Beasley - Victoria

Australian Interstate Photographic Competition 2014

In 2014 Victoria has the privilege of hosting the Australian Interstate Photographic Competition, a unique and important competition for all State Associations and their Camera Club members across Australia.

This year the AIPC is being run in conjunction with APSCON at Ballarat, in our home state.

In order to encourage the full participation the host state has made the call to accept digital only, print only or both categories as a complete entry to the 2014 AIPC.

Our judges are some of the most qualified in the photographic club environment and bring to the AIPC judging a wealth of knowledge and experience not just as judges but practicing photographers.

The judging process completed we have a range of wonderful images that truly represent the diversity of the camera club movement and its makers across Australia.

Not only are there many individual winners and their superb images but we also congratulate Victoria on winning the Alan Moran trophy, well done Victoria.

And a big thank you to our judges Bronwen Casey, Paul Robinson and Ron Speed, we also acknowledge the support and commitment by the committee of the Victorian Association of Photographic Societies, and the Craigieburn Camera Club for their contribution in making the AIPC competition a success again in 2014.

We trust that as time goes on the States will foster and build on their successes in this important competition.

Hopefully all States will see that this is an opportunity to showcase their members' efforts in the pursuit of photography.
