Congratulations to Jason Pang the Winner of the
Best Image award 2015

“Old Man” – Jason Pang - NSW

In 2015 QLD had the privilege of hosting the Australian Interstate Photographic Competition, a unique and important competition for all State Associations and their Camera Club members across Australia.

This year the AIPC is being run in conjunction with APSCON at Tweed.

All the States were encouraged to include Digital images and Prints in each category.

Australian Interstate Photographic Competition 2015

Our judges are some of the most qualified in the photographic club environment in Australia. They bring to the AIPC judging a wealth of knowledge and experience not just as judges but as practicing photographers.

The judging process completed we have a range of wonderful images that truly represent the diversity of the camera club movement and its makers across Australia.

Congratulations to those who have had their image selected to represent their state and our sincere congratulations to those lucky few to be acknowledged as the eventual winners.

There are many individual winners but we also congratulate NSW on winning the Alan Moran trophy,

We give a big thank you to our judges Daryl James, Margaret O'Grady and John North. We also acknowledge the support and commitment by the committee of the Photoarts Club Tweed for their contribution in making the AIPC competition a success again in 2015.

We trust that as time goes on the states will continue to foster and build on their successes in this important competition. The AIPC is a unique opportunity to showcase the state clubs and members efforts in the pursuit of photography.
