"I See You"

Susan Brunialti - Victoria

In 2016 South Australia had the privilege of hosting the Australian Interstate Photographic Competition, a unique and important event for all State Associations and their Camera Club members across Australia.

This year the AIPC is being run in conjunction with APSCON in Adelaide.

All the States were encouraged to include both Digital images and Prints in each category.

Australian Interstate Photographic Competition 2016

Our judges are some of the most qualified in the photographic environment in Australia. They bring to the AIPC judging a wealth of knowledge and experience not just as judges but as practicing photographers.

The judging process completed, we have a range of wonderful images that truly represent the diversity of the photographic club movement and its makers across Australia.

Congratulations to those who have had their image(s) selected to represent their state and our sincere congratulations to those lucky few to be acknowledged as the eventual winners.

There are many individual winners but we also congratulate NSW on winning the Alan Moran trophy,

We give a big thank you to our judges: Simone Hanckel, Andy Smylie and Benjamin Kerr. We also acknowledge the support and commitment by the committee of the South Australian Photographic Federation for their contribution in making the AIPC competition a success again in 2016.

We trust that, as time goes on, the states will continue to foster and build on their successes in this important competition. The AIPC is a unique opportunity to showcase the state clubs and members' efforts in the pursuit of photography.
